John M. Budd

As always, the success of this and every other serious journal depends to a great extent on the manuscript-review process. As editor of *LRTS* I am extremely fortunate to work with a superior editorial board and to rely on the excellent reviews of diligent and perceptive referees. These board members and referees deserve to be noticed. Please refer to the journal's masthead for the names of the editorial board. The referees (including board members) who supplied us with manuscript review reports in the year 2002 are:

Robert Alan
Kathy Brown
Anita Coleman
Lynn Connaway
