MANUSCRIPT PREPARATION

Please follow these procedures for preparing manuscripts for Library Resources & Technical Services (LRTS):

1. Submit original, unpublished manuscripts only. Do not submit manuscripts that are being considered for publication in other venues. Authors are responsible for the accuracy of statements included. Papers presented at a conference should be identified with the conference name and date in the cover letter.

2. Manuscripts should be machine-printed and double-spaced. Three copies must be provided. Disk copy will be requested from authors for accepted articles.

3. Write the article in a grammatically correct, simple, readable style. Whenever possible avoid jargon, anthropomorphism, and acronyms. All acronyms must be accompanied by their full spelled-out form. For spelling and usage consult the Random House Webster’s College Dictionary (New York: Random House, 1991). Verify the spelling and accuracy of all names in an appropriate source. Consult The Chicago Manual of Style 14th ed. (Chicago: Univ. of Chicago Pr., 1993) for capitalization, abbreviations, usage of numbers, etc.

4. Give the article a brief title; if the title does not fully describe the content of the article, add a brief subtitle. On the first page of the manuscript give the article title, the name(s) of the author(s), and the position title, institutional affiliation, and address of each author.

5. On the second page of the manuscript give the title followed by a brief, informative abstract. Do not identify the author(s) here or elsewhere in the manuscript. Number all pages throughout the manuscript.

6. Submit all references on separate pages at the end of the text, preceding any tables or illustrations.

7. LRTS follows The Chicago Manual of Style author-date system of references (see chapter 10). Verify each citation by sight, very carefully.

8. Follow the examples and suggestions in chapter 12 of The Chicago Manual of Style in designing tables. Submit each table on a separate page at the end of the manuscript. Indicate the preferred placement in the text with an instruction in square brackets. Provide each table with a brief, meaningful caption.

9. Be prepared to supply camera-ready copy for all illustrations. Accompany the manuscript with a photocopy of each, and a brief, meaningful caption noted on the verso.
