

Resources

Drupal in Libraries

Libraries at Drupal Groups

<http://groups.drupal.org/libraries>

This is the official group on the Drupal development site for discussing the use of Drupal in libraries.

Drupal4Lib Mailing List

<http://listserv.uic.edu/archives/drupal4lib.html>

Another resource for questions and answers about Drupal in libraries.

Drupal Resources

Planet Drupal

<http://drupal.org/planet>

RSS feed of blogs about Drupal. If you can take the volume of content, this is a great resource for knowing what is going on in the Drupal community, what conversations are being held, and where the future of Drupal is going.

Drupal Dojo

<http://groups.drupal.org/drupal-dojo>

An archive of live Web trainings. You can also join the live trainings if desired.

Lulllabot

www.lullabot.com

A group of Drupal consultants that provide high level training as well as free podcasts, tutorials, blogs, etc.
