Organizational Storytelling for Librarians: Using Stories for Effective Leadership

Plagiarism Education and Prevention: A Subject-Driven Case-Based Approach

Winning Library Grants: A Game Plan

Change has always been a fact of life in the library world; administrators, staff, and patrons have all come to expect it. This does not mean, however, that managing and embracing change are easy for those in the library community. With this in mind, authors van Duinkerken and Mosley hope to assist library managers in becoming more effective change managers. This book would be more aptly titled The Challenge of Library Change Management, as all of the chapters and examples focus on understanding and working through the
